

Hello!

Be part of something amazing

Why we need your help

As the charity for Milton Keynes Hospital, our mission is to make a real difference to the experience of patients, their families and the staff who treat them.

Our fundraising enables wards and departments to go over and above what the NHS provides – funding specific, tangible items such as:

- State of the art equipment
- Comfort items for patients
- Special advanced training for members of staff
- Pilots for new patient-care initiatives
- New welcoming and positive environments for everyone treated in our hospital.

Milton Keynes Hospital Charity is a local charity benefitting the community in and around Milton Keynes.

We fundraise for all wards and departments, but you can always choose a specific area to support. We also run special appeals and projects, including fundraising for the children's ward (Leo's Appeal), the neonatal unit (Little Lives) and work enhancing the care of people affected by cancer or dementia.
